

Prayer Outreach for the sick - Praise Report

Contributed by Rania Sayegh

Dear friends & partners,

One day in the beginning of DEC 2007 while I was praying, I started to weep like a mother weeping on her children. I also started to hear voices of hopeless people screaming asking for a glimpse of HOPE! The Spirit opened my ears to hear these voices, and then I felt God's heart was so broken for those who haven't heard about His love & HOPE.

When I sough the Lord, I heard His marching orders to go. So I felt the Spirit was leading me to plan a prayer outreach for the sick in Nazareth in Christmas season!

Isa 61:1 The Spirit of the Lord Jehovah is on Me; because Jehovah has anointed Me to preach the Gospel to the poor; He has sent Me to bind up the broken-hearted, to proclaim liberty to the captives, and the opening of the prison to those who are bound;

Isa 61:2 to preach the acceptable year of Jehovah and the day of vengeance of our God; to comfort all who mourn;

Isn't this the greatest mission Jesus declared right here from Nazareth?

Yes!! He is willing to come again and touch the people of Nazareth with His love & HOPE.

Outreach praise report:

The outreach took place on the 28th & 29th of Dec, we had 6 women, 2 men & 2 youth joining us for the outreach. The Lord lead us to go to one of the hospitals in Nazareth.

We prepared 140 gifts for the sick, each gift contained a nice candle, bible, Jesus in the old & new testament book, purpose driven booklet and DVD-Jesus movie by the Magdalene.

The 140 gifts were distributed to the sick as well as nurses & doctors who were so hungry to recieve it and hear about the Lord.

God's grace & favor were flowing like a river while we were ministering to the sick! We prayed for 88 people and 44 of them have accepted the Lord and received salvation! Praise His precious Name!

Amazingly enough, 80% of all those whom we prayed for were Muslims, they were so hungry to hear the good news and receive the gift.

We experienced God's love & compassion to the sick, we found those who were looking for the real HOPE and the real GOD! God met those who were looking for Him, they found salvation and they found healing in His love.

We had several moving and touching testimonies of people who were waiting anxiously to receive Him. We were moved by the story of one woman who was sick with diabetes, and we entered her room to pray with her. She shared with us that tomorrow she will have a surgery in her legs. The doctors said they will cut her two legs cause they were totally damaged because of the diabetes.

We prayed with her and asked if she wants to accept Jesus as her Lord & savior, and she did pray with us out loud asking Him to come to her heart. Then we prayed for her surgery and most of all for peace to overwhelm her heart. After 3 days of our visit, I received a message that she passed away! How gracious and merciful our GOD is! HE didn't let her go before she received Him as her LORD!

I was moved and touched knowing that she is now with Him, in much greater and wonderful place!

I'm so grateful to the Lord for His faithfulness and mercy, and for all what He has done in this season.

He is desiring that we will move in this year 2008 with much greater faith, that faith which is burning with the fire of His love will release His mighty exploits in our land!!

In His enduring love,

- Rania
