

What would this dream mean to you?

This was a prophetic dream Taija Sayegh saw on Nov the 9th 2006

The end of the days had come, believers were gathered into a cave inside a mountain but in the outside have started to become more and more dangerous. The believers who were with me inside could see more clearly what was happening in the outside, there were like some dinosaurs or dragons in the world. Those were the figures of demonic spirits from hell that's for sure.

I remember the agony, pain and frustration I had in the cave knowing that I had not made my life count as much as I could have; I had not given God all that I could and all that He wanted. I was very sad that I didn't have a chance to make a difference anymore! I really wanted to serve God, but somehow had wasted my time into earthly matters more spending it for God's kingdom. I wished so much I could have lived my life differently; the end of the times had come suddenly and quickly without notice.

I had not lived my life in a bad way, but I had not given all that I had either, and that was the biggest pain ever. To know I had not given all of me to Jesus who loved me so much and died for me! In this moment of pain somebody said: Now they are crucifying Jesus! I didn't understand what that meant, since as I knew He had been crucified 2000 years ago, but a great sadness and feeling of hopelessness, frustration and agony came over all of us inside and we were crying and crying... It was like if all the hell broke out outside the cave!

I remember also trying to talk to one of my family members who was not in the cave but as he was walking beside the cave I was asking him, please give your life to Christ, please!!! You can do it, just confess He died for you. I could feel his battle, his desperation he knew it was the truth, Jesus died for Him but it was hard for him to truly confess it and take the step and give his life away.

While I was in the middle of talking and encouraging my family member I saw a group of people walking out to another direction away from the cave. I got worried and went after them; I even saw a very dear friend to me there and got extra worried! I reached them and asked, why on earth are you walking back to world again??? Don't you know what is happening??? My friend replied to me don't worry the end of the time did not come yet and there was no need to stay in that cave and we could go back to the world! Oh my God! How is this possible? They were safe already I was thinking!!

Then we reached the end of the tunnel and we got back in the world. We came to a beautiful field with flowers all around us and people having picnic enjoying their day outside. Then my friend said to me "See it's still the

same, the end of the times didn't come yet, we can still continue our life normally." Also the people on the field came to me telling me that he was right and they had not seen anything horrible but everything was just fine! I got confused and then I saw like from above how the devil had cut the tunnel we had come from and we could not return to the cave anymore! I was terrified that we were lost forever, but one second afterwards I saw how the Spirit of God opened that tunnel again and started looking for us. Then I saw hope, we could still go back, we were not lost! Great thankfulness, love and joy filled me in that moment! Then I woke up.

But the message of this dream was clear...Time is short, people will continue to live normally until the end of the times, but we the believers have to give all that we have and live every day for Jesus! Forget about the stuff that has no real value and go after God! He wants to use you. He wants to use me. And we should take him seriously, evil is increasing rapidly, we can't see it all but its happening. God is faithful to keep us and continue to direct our path. Don't be deceived with the beauty and comfortability that this world offers but seek after God!

Rev 3:7-13

And to the angel of the assembly in Philadelphia write: These things saith the holy, the true; he that has the key of David, he who opens and no one shall shut, and shuts and no one shall open:

I know thy works: behold, I have set before thee an opened door, which no one can shut, because thou hast a little power, and hast kept my word, and hast not denied my name.

Behold, I make them of the synagogue of Satan who say that they are Jews, and are not, but lie; behold, I will cause that they shall come and shall do homage before thy feet, and shall know that *I* have loved thee.

Because thou hast kept the word of my patience, *I* also will keep thee out of the hour of trial, which is about to come upon the whole habitable world, to try them that dwell upon the earth.

I come quickly: hold fast what thou hast, that no one take thy crown.

He that overcomes, him will I make a pillar in the temple of my God, and he shall go no more at all out; and I will write upon him the name of my God, and the name of the city of my God, the new Jerusalem, which comes down out of heaven, from my God, and my new name.

He that has an ear, let him hear what the Spirit says to the assemblies.
